JULIAN SCHNABEL: SCULPTURE 1987-1990  
MAY 1 - JUNE 29, 1990

The Pace Gallery is pleased to announce the opening of its 142 Greene Street location with recent sculpture by Julian Schnabel. This first exhibition dedicated solely to Schnabel's sculpture begins May 1 and continues through June 29, 1990.

The sculptures, all large scale works, cast in bronze and uniquely patinated, were completed over the past three years. These works demonstrate Schnabel's use of references derived from past and present cultures, as well as his exploration of the casting process.

A color catalogue will be published in conjunction with the exhibition. For further information and photographs please contact Sally Lebwohl at (212) 421-3292 or Audrey Unger at (212) 431-9224.
